

Terms and Conditions

All rentals include 150 free miles per day, a full tank of gas and 24/7 roadside assistance.

This is a summary only of important terms and conditions. Please read our Rental Agreement before making a reservation.

Age of Driver(s) – The renter and any additional authorized driver must be between 25 and 70 years of age.

Allowed driving area – All use of the vehicle must take place within Massachusetts and within a radius of 150 miles of Newton, Massachusetts. Classic Cars and Byways must specifically approve any exceptions prior to the beginning of the rental period.

Care of the car – We believe an important part of your experience with our cars is their sparkling appearance. We work hard to keep our cars looking great inside and out – it reflects well on us, and it means *you'll look great* and have more fun as a customer. Please, **no smoking**. It's commonplace to treat modern cars like an extension of the kitchen or office. Our cars require actual driving; they have no cup holders; leather stains easily. Please eat and drink responsibly. Stop and have a picnic instead!

Deposits and refunds -- We require a deposit of 50% of the rental charge at the time of the reservation. If you cancel the reservation 30 days or more prior to the beginning of the rental period we will refund the deposit in full, less a \$50 cancellation fee. Deposits for reservations cancelled less than 30 days prior to the beginning of the rental period are refundable *only if we are able to rebook the rental for the same period*. In this case we will refund your deposit less a \$50 cancellation fee.

Inclement weather – Generally, a steady rain will cancel the rental. You're less likely to have a great time and we're not wild about our cars spending a lot of time in the rain. We will offer a rain check for any other available date.

Insurance Coverage – You are fully responsible for the car during the rental period including any and all physical damage and personal liability. Your insurance is the insurance coverage in force during the rental. At the time of reservation you will need to provide valid proof of insurance and contact information about your insurance company and agent so that

we can confirm that you have adequate insurance in force. Normally, this means coverage at the standard \$100,000/\$300,000 level.

Payment – We accept payment by credit card (Mastercard, Visa or Discover) or personal check. Payment in full is required at the end of the rental period.

Prohibited Uses – Only the renter and any additional authorized driver may drive the car. Our rental agreement specifies uses such as racing, towing, off-road use, any illegal activity, etc. that are prohibited.
